

**RL-B ACCEPTABLE USE POLICY**  
**Parent/Guardian Consent and Student Agreement**

Dear Parent or Guardian:

Your son or daughter will soon have access to the Internet. The Internet is a global information system with great information and educational potential, and we see the skills required for its use as vital to the productivity and citizenship of your students when they enter higher education and the work force. Attached is the RL-B Acceptable Use Policy. Please read the document, discuss it with your child(ren), and sign below to acknowledge that you understand the policy.

No student will be allowed access to the Internet until this form has been returned to the Technology Coordinator.

- I have read the Acceptable Use Policy (in the Student Handbook) and agree to follow its terms.
- I understand that access to the Internet and building network is a privilege that will be revoked if it is abused.
- I understand that violations of the policy will subject me to discipline up to and including expulsion, and may subject me to civil or criminal action.
- I understand that the school district will enforce its policies but that it is simply technically and administratively impossible to guarantee that no inappropriate use will ever occur. I also understand that the primary responsibility for avoiding inappropriate information rests with myself.
- I understand that the school district will not be held responsible for any fees, damages, claims, or harm incurred as a result of unauthorized or improper usage of the Internet or building network.

I hereby authorize RL-B to issue my child a free account for access to the Internet. This account will be used for educational endeavors as specified in the Acceptable Use Policy. If my child violates this policy, he/she will experience consequences as described in the Acceptable Use Policy, and these consequences will affect his/her access to educational material and opportunities.
